Re: Second Hand and Antique Photography Market – Bièvres International Photo Fair

Dear Sir/Madam,

The 58th edition of the International Photo Fair will take place on June 4 and 5, 2022. The second hand and antique photography market, the new equipment and services market, the artists' market, exhibitions, talks and other activities will make this a not-to-miss event of the photography season.

The second hand and antique photography market will be held **Saturday June 4 from 1 to 7 p.m. and Sunday June 5 from 8 a.m. to 6 p.m.** We are pleased to invite you to participate. Stalls and booths will be allotted **on a first-come first-served basis to those exhibitors having submitted a complete application.** Insofar as possible, we shall endeavour to give you the same location as in 2021 if you so desire. **In order to help us organise the market, it is essential that you indicate the nature of your activity when registering.** Signs will be posted on site and also on our website to help you find your allotted space. In order to be listed you must have registered **by May 15** at the latest.

Attached you will find the booking form as well as the Fair rules. We advise you to read the rules carefully since your registration signifies acceptance. In particular we draw your attention to the hours, which must be strictly adhered to. **If you should fail to receive acknowledgment of your booking request within 15 days of payment, then we have not received your registration.** Please contact us if that is the case. In mid-May you will receive your booking confirmation along with full documentation regarding the rented space, including booth number and instructions on how to set up. **Parking spaces will be limited to vehicles less than 5 metres in length, and reserved by priority to those exhibitors having rented 5 linear metres or more.** Free parking will be provided by the town of Bièvres for all other exhibitors.

Rental fees remain unchanged for the 58th Fair. We shall be respecting the health and sanitary measures in place at the time of the Fair in order to ensure that exhibitors as well as the public may benefit to the full extent possible.

Looking forward to welcoming you to the Bièvres International Photo Fair,

Sincerely,

Agnès Vergnes
President,
