

CLUB Paris Val-de-Bièvre

Paris, March 11th, 2024

Dear Madam, Sir,

The 60th International Photo Fair in Bièvres will take place on June 1st and 2nd, 2024 and will include the second-hand and photographic antiques market, the new and services market, the artists' market, exhibitions, conferences and activities which make this event the unmissable photographic event of spring.

On the occasion of this sixtieth edition, the organisers wish to mark the event by asking each exhibitor to present and highlight on their booth a photographic object testifying the 1964 year and/or the Fair first edition.

The second-hand and photographic antiques market will be held on Saturday June 1st, from 1 p.m. to 7 p.m. and Sunday June 2nd, from 8 a.m. to 6 p.m. We are happy to invite you to participate. The exhibitors registered first and whose files are complete will have priority in the placement and allocation of booth numbers. We will try, as much as possible, to place you in the same location as in 2023, if you wish. In order to best organise the market, it is essential that you tell us what your type of activity is. Signage, allowing exhibitors to be located, will be displayed at the entrances to the Fair and the list of exhibitors will be posted online on our website. To be included, exhibitors must be registered before May 15th, 2024.

You will find attached the reservation request form as well as the rules of the Fair. We invite you to read it carefully since your registration validates its acceptance. We draw your attention to scrupulous compliance with schedules. If you do not receive acknowledgment of receipt of your request within 15 days of your payment, we have not received your registration. In this case, please contact us. In mid-May you will receive your participation file including your place number as well as all the documents and instructions necessary for your installation. Parking spaces will be limited to vehicles less than 5 meters long and reserved as a priority for exhibitors who have requested 5 linear meters or more. For other exhibitors, free parking will be available in the city center.

We look forward to welcoming you. We send you, Madam, Sir, our most cordial greetings.
