Subject : **BIEVRES INTERNATIONAL PHOTO FAIR**
Saturday June 1 and Sunday June 2, 2019

Paris, March 12, 2019

Dear Madam/Dear Sir,

Within the framework of the 56th Bièvres International Photo Fair, the Photoclub de Paris Val-de-Bievre will be organising an International Second-hand and Antique Photography Market, one of the largest events in Europe for the sale of photographic and cinema equipment and of antique photographs. It will be held on **Saturday June 1 from 1 to 7 p.m. and Sunday June 2 from 8 a.m. to 6 p.m.** We are looking forward to your participation in this event.

Stalls will be allocated on a « first come, first served » basis to those sending back a complete file. We will do our best to allocate the same space as last year if so requested, **although there have been some changes to the roads.** To help us optimise the layout of the market, it is essential that you indicate the nature of your activity. If you register prior to May 15th, your name and location in the fairground will be listed and posted at the entrances to the fair as well as on our web site.

You will find attached a booking form as well as the updated version of our terms and conditions. We invite you to read this document carefully, as your registration signifies acceptance of these conditions. In particular, we ask you to scrupulously respect the Fair's opening hours. **If you have not received acknowledgment of receipt of your booking request within 15 days of payment, then we have not received your request,** in which case we would ask you to please contact us. Stall reference and all necessary documents concerning setting up your stall will be mailed to you in May 2019.

Since space is limited, only vehicles less than 5 meters long will be allowed to park inside the fairgrounds, and will be reserved by priority to those having requested a minimum of 5 linear metres of exhibition space. For all others, free parking is available in the town centre.

With the support of the town of Bièvres, the artists' market, the Rencontres de Bièvres forum and various events and exhibitions including the new equipment and services market will also be taking place during the fair, along with the second hand and antique photography market. The idea is to create a strong synergy around different aspects of photography and to appeal to a wide audience.

We hope that you will join us at the Bièvres International Photo Fair. On behalf of the team from the Photoclub Paris Val-de-Bievre,

Best regards,

Photoclub president,
Agnès VERGNES

Second Hand and Antique Photography Market organiser
